JOSEPH C.
TONETTI,
ESQ.

NEUTRAL BIO

Mr. Tonetti has practiced personal injury law for over 3 decades, representing both plaintiffs and insurance carriers. His vast experience on both sides has provided him with an advanced ability to best understand the respective parties' positions, and to devise and communicate effective resolution strategies.

Mr. Tonetti feels that mediation should be a process for both sides to proceed in a less adversarial fashion than trial or arbitration. He feels mediators should strictly follow confidentiality rules in order to permit each side to reveal facts or circumstances of their case to the mediator so as to encourage the best possible evaluation of the issues. As a result, Mr. Tonetti's neutral services are highly regarded.
